Basic literature (list according to importance, no more than 3 items) 1. S. Filipczak-Nowicka, Z. Grech-Żmijewska, "Lingua Latina ad usum medicinae studentium", Warszawa, PZWL, 2001. 2. M. Piekarz, "Lingua Latina medicinalis", Medycyna Praktyczna, Kraków 2010. 3. A. i S. Kołodziej, "Linuga latina medicinalis", Wydawnictwo Lekarskie PZWL 2013. Additional literature and other materials (no more than 3 items) 1. Pocket Oxford Latin Dictionary, Oxford University Press, New York 2005. 2. R. M. Youngson, Collins Dictionary Medicine, Harper Collins, Second Edition, 1999. 3. P. Słomski, Podręczny słownik medyczny angielsko-polski i polsko-angielski, Wydawnictwo Lekarskie PZWL, 2009.

Didactic resources requirements (e.g. laboratory, multimedia projector, other...) classroom, board

Preliminary conditions (minimum requirements to be met by the student before starting the module/course)

not applicable

Conditions to receive credit for the course (specify the form, criteria and conditions of receiving credit for classes included in the module/course, admission terms to final theoretical or practical examination, its form and requirements to be met by the student to pass it and criteria for specific grades).

1. Passing the written final test with at least 60% positive answers.
2. Passing partial tests checking the knowledge from 3 last classes.
3. Oral answer on a set subject relevant to the recently done material from the 3 last classes.
4. Regular attendance in classes. In case of rector's day or dean's hours etc. the student has to make up for the subject of the cancelled classes in form determined by the teacher (for example: short test, written assignment, presentation). The coordinator with the Head of Teaching unit decides on the form of checking the material.

Each absence must be made up, including rector's days or dean's hours.

Grade:	Criteria for course
Very Good (5.0)	Student receives ' <i>very good</i> ' grade if he/she: <ul style="list-style-type: none"> - passes the final test and partial tests with the 100-90% score - attends classes regularly - knows and applies known grammatical structures very well - knows and applies Latin medical terms very well - can translate short Latin texts - understands and is able to formulate Latin medical terms and diagnoses - understands and is able to use Latin proverbs, mottoes and sayings
Good Plus (4.5)	Student receives ' <i>good plus</i> ' grade if he/she: <ul style="list-style-type: none"> - passes the final test and partial tests with the 89-85% score - attends classes regularly - knows and applies known grammatical structures well - knows and applies Latin medical terms well - can translate short Latin texts - understands and is able to formulate Latin medical terms and diagnoses - understands and is able to use Latin proverbs, mottoes and sayings
Good (4.0)	Student receives ' <i>good</i> ' grade if he/she:

	<ul style="list-style-type: none">- passes the final test and partial tests with the 84-75% score- is present and active in the classes- knows and applies known grammatical structures- knows and applies Latin medical terms- can translate short Latin texts- understands and is able to formulate Latin medical terms and diagnoses- understands and is able to use Latin proverbs, mottoes and sayings
Satisfactory Plus (3.5)	Student receives ' <i>satisfactory plus</i> ' grade if he/she: <ul style="list-style-type: none">- passes the final test and partial tests with the 74-66% score- is present and rather active in the classes- knows and applies known grammatical structures satisfactorily- satisfactorily knows and applies Latin medical terms- can translate short Latin texts- understands and is able to formulate Latin medical terms and diagnoses- understands and is able to use Latin proverbs, mottoes and sayings
Satisfactory (3.0)	Student receives ' <i>satisfactory</i> ' grade if: <ul style="list-style-type: none">- passes the final test and partial tests with the 65-60% score- attends classes- sufficiently knows and applies known grammatical structures- sufficiently knows and applies Latin medical terms- can translate correctly short Latin texts with some difficulty- understands and is able to formulate Latin medical terms and diagnoses with some difficulty- understands and is able to use Latin proverbs, mottoes and sayings with some difficulty
