

Syllabus 2019/2020														
Description of the course														
Module/Course	Subject of Clinical Teaching – dermatology and venereology										Group of detailed education results			
											Group code	Group name		
											E	Clinical Non-interventional Science		
Faculty	Medicine													
Major	medicine													
Specialties	Not applicable													
Level of studies	Uniform magister studies X * 1 st degree studies <input type="checkbox"/> 2 nd degree studies <input type="checkbox"/> 3 rd degree studies <input type="checkbox"/> postgraduate studies <input type="checkbox"/>													
Form of studies	X full time <input type="checkbox"/> part-time													
Year of studies	VI					Semester		<input type="checkbox"/> Winter X Summer (April/May)						
Type of course	X obligatory <input type="checkbox"/> limited choice <input type="checkbox"/> free choice / elective													
Course	X major <input type="checkbox"/> basic													
Language of instruction	<input type="checkbox"/> Polish X English <input type="checkbox"/> other													
* mark <input type="checkbox"/> with an X														
Number of hours														
Form of education														
Unit teaching the course	Lectures (L)	Seminars (SE)	Auditorium classes (AC)	Major Classes – not clinical (MC)	Clinical Classes (CC)	Laboratory Classes (LC)	Classes in Simulated Conditions (CSC)	Practical Classes with Patient (PCP)	Specialist Classes – magister studies (SCM)	Foreign language Course (FLC)	Physical Education obligatory (PE)	Vocational Practice (VP)	Self-Study (Student's own work)	E-learning (EL)
Winter Semester														
Summer Semester														
Dpt of Dermatology, Venereology and Allergology					180									
TOTAL per year:														

Dpt of Dermatology, Venereology and Allergology			180							
Educational objectives (max. 6 items)										
C1. The knowledge of semiotics of the most common skin diseases and proper dermatological terminology										
C2. The knowledge of pathogenesis, epidemiology, clinical presentation, diagnostics and treatment of the most common infectious and non-infectious disorders of skin, hair, nails and mucous membranes.										
C3. The knowledge of pathogenesis, epidemiology, clinical presentation, diagnostics and treatment of nevi, benign and malignant skin tumours.										
C4. The knowledge of skin manifestations associated with systemic diseases and disorders of internal organs.										
C5. The knowledge of pathogenesis, epidemiology, clinical presentation, diagnostics and treatment of sexually transmitted diseases.										
C6. The ability of taking the history and examining the patient considering the dermatological conditions and suggestion of diagnosis, differential diagnostics, diagnostic tests and treatment.										
Education result matrix for module/course in relation to verification methods of the intended education result and the type of class										
Number of course education result	Number of major education result	Student who completes the module/course knows/is able to	Methods of verification of intended education results (forming and summarising)	Form of didactic class <i>**enter the abbreviation</i>						
S 01	E.U1	Takes the dermatological history from the adult patient	oral response	CC						
S 02	E.U3	Performs directed dermatological examination of the adult patient	oral response	CC						
S 03	E.U16	Plans the diagnostic, therapeutic and prophylactic management in skin diseases	oral response	CC						
S 04	E.U20	Qualifies the patient with skin disease to the inpatient or outpatient treatment	oral response	CC						
S 05	E.U23	Suggests the rehabilitation schedule in selected skin diseases	oral response	CC						
S 06	E.U24	Interprets the laboratory results and identifies the causes of their abnormalities in skin diseases	oral response	CC						
** L - lecture; SE - seminar; AC – auditorium classes; MC – major classes (non-clinical); CC – clinical classes; LC – laboratory classes; SCM – specialist classes (magister studies); CSC – classes in simulated conditions; FLC – foreign language course; PCP										

practical classes with patient; PE – physical education (obligatory); VP – vocational practice; SS – self-study, EL – E-learning	
Please mark on scale 1-5 how the above effects place your classes in the following categories: communication of knowledge, skills or forming attitudes: Skills: 5 Forming attitudes: 4	
Student's amount of work (balance of ECTS points)	
Student's workload (class participation, activity, preparation, etc.)	Student Workload (h)
1. Contact hours:	180
2. Student's own work (self-study):	90
Total student's workload	270
ECTS points for module/course	10
Comments	
Content of classes (please enter topic words of specific classes divided into their didactic form and remember how it is translated to intended educational effects)	
Lectures N/A	
Seminars N/A	
Practical classes 1. Skin diseases of various etiology. 2. Sexually transmitted diseases. 3. Skin lymphomas. The revelators of internal malignancies. 4. Skin cancers. Nevi. 5. Dermatological therapy. Surgical treatment of selected skin diseases.	
Other	
Basic literature (list according to importance, no more than 3 items) N/A	
Additional literature and other materials (no more than 3 items) N/A	
Didactic resources requirements (e.g. laboratory, multimedia projector, other...) N/A	
Preliminary conditions (minimum requirements to be met by the student before starting the module/course) N/A	
Conditions to receive credit for the course (specify the form, criteria and conditions of receiving credit for classes included in the module/course, admission terms to final theoretical or practical examination, its form and requirements to be met by the student to pass it and criteria for specific grades). Active presence on classes and verification of practical skills	
Grade:	Criteria for course
Very Good (5.0)	proficiently uses the knowledge and skills significantly exceeding standard course syllabus, gives interesting solutions of problems considering patients'

	care, identifies himself with general and professional ethics rules
Good Plus (4.5)	confidently uses the knowledge and skills exceeding standard course syllabus, solves professional problems in new situations by himself, identifies himself with general and professional ethics rules
Good (4.0)	has knowledge and skills sufficient to solve professional problems in typical situations, obeys general and professional ethics rules
Satisfactory Plus (3.5)	has knowledge and skills not exceeding minimal requirements of course syllabus, solves the problems of medium difficulty level, accepts general and professional ethics rules
Satisfactory (3.0)	has not got the knowledge and skills not exceeding minimal requirements of course syllabus, solves typical professional problems of low difficulty level, accepts general and professional ethics rules but does not do activities on his own initiative

Name of unit teaching course:	Department of Dermatology, Venereology and Allergology
Address	ul. Chałubińskiego 1, 50-368 Wrocław
Phone	Tel. (071) 784-22-86, (071) 784-22-87, (071) 327-09-41
E-mail	E-mail: dermwen@umed.wroc.pl

Person responsible for course:	Prof. Jacek Szepietowski, MD, PhD
Phone	Tel. (071) 784-22-86, (071) 784-22-87, (071) 327-09-41
E-mail	E-mail: dermwen@umed.wroc.pl

<i>List of persons conducting specific classes:</i>	<i>degree/scientific or professional title</i>	<i>Discipline</i>	<i>Performer profession</i>	<i>Form of classes</i>
Wojciech Baran	MD, PhD, Associate professor	dermatology and venereology	doctor	CC
Rafał Białynicki-Birula	MD, PhD, Associate professor	dermatology and venereology	doctor	CC
Alina Jankowska-Konsur	MD, PhD, Associate professor	dermatology and venereology	doctor	CC
Łukasz Matusiak	MD, PhD, Associate professor	dermatology and venereology	doctor	CC
Aleksandra Batycka-Baran	MD, PhD, Associate professor	dermatology and venereology	doctor	CC
Danuta Nowicka	MD, PhD	dermatology and	doctor	CC

		venereology		
Małgorzata Tupikowska	MD, PhD	dermatology and venereology	doctor	CC
Iwona Chlebicka	MD, PhD	dermatology and venereology	doctor	CC
Edyta Lelonek	MD, PhD	dermatology and venereology	doctor	CC
Małgorzata Ponikowska	MD	dermatology and venereology	doctor	CC
Radomir Reszke	MD	dermatology and venereology	doctor	CC
Ewa Wójcik	MD	dermatology and venereology	doctor	CC
Katarzyna Włodarek	MD	dermatology and venereology	doctor	CC
Aleksandra Stefaniak	MD	dermatology and venereology	doctor	CC
Agnieszka Otlewska	MD	dermatology and venereology	doctor	CC
Marta Bałaj-Oleszczuk	MD	dermatology and venereology	doctor	CC
