

How to enroll for optional courses

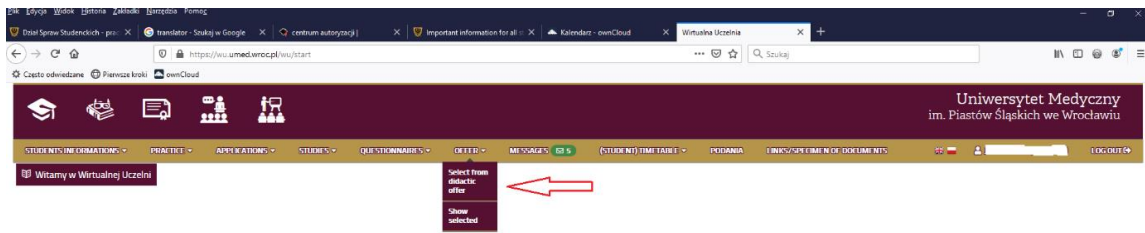

1. Log in to the Virtual University ('academic cap' button on the top of the homepage)

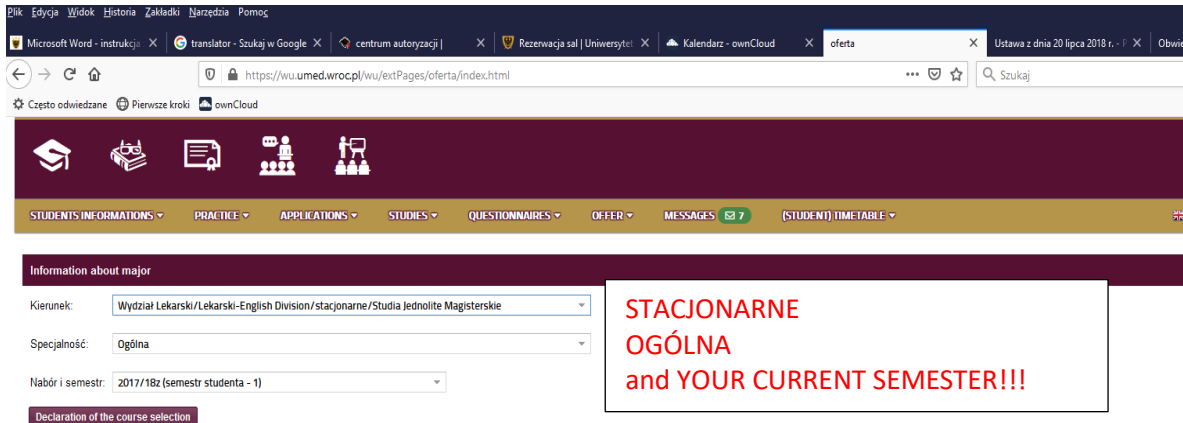

2. Change the language and LOG IN

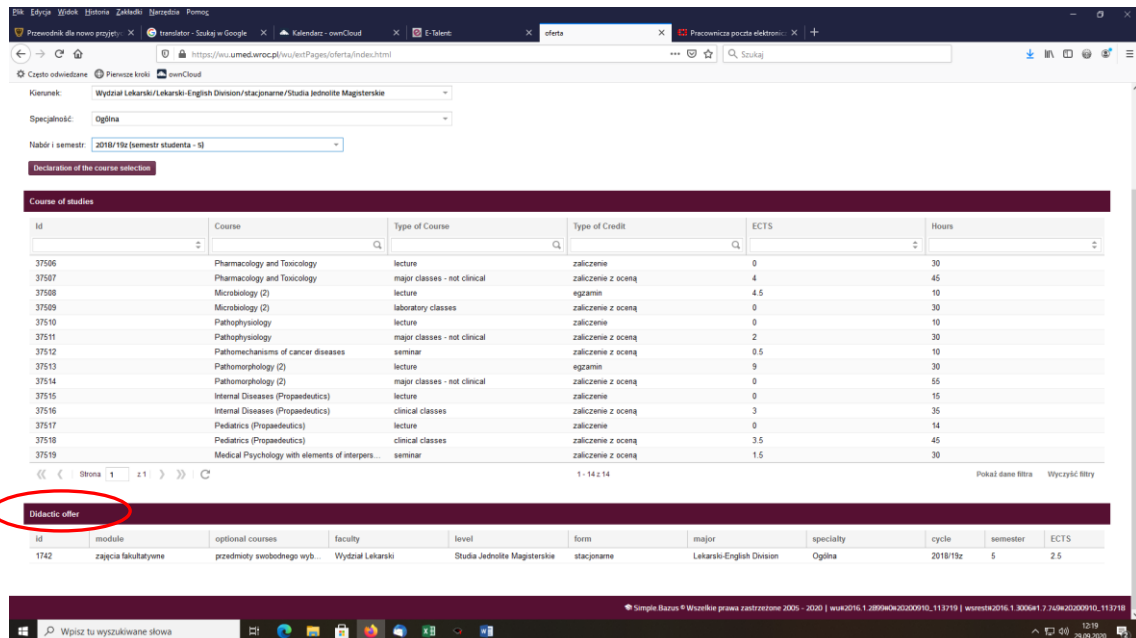

3. Choose OFFER – SELECT FROM DIDACTIC OFFER

4. Choose

5. You will see the list of obligatory courses and optional courses (BELOW) – DIDACTIC OFFER

6. Choosing the button 'zajęcia fakultatywne' you will see the list of AVAILABLE SUBJECTS OF DIDACTIC OFFER – look at the column 'COURSE'

7. Choose the course and press the button **sign up/register**

The screenshot shows a web application interface with a table of subjects. The table has columns for ID, module, optional courses, faculty, level, form, major, specialty, cycle, semester, and ECTS. Below the table, there is a section titled 'Available subjects of didactic offer' with a table that includes a 'course' column. A red circle highlights the 'Sign up/register' button in this section, and a red arrow points to it from the left. The interface also includes a 'Didactic offer' section and a 'My selected subjects' section.

After that you will see a selected course below, in section 'My selected subjects'

8. **ABSOLUTELY DON'T USE BUTTONS SAVE or CANCEL!!!!** If you use it you won't be able to change the course. Please remember the deanery will not change your choices
